

AI STARTER GUIDE

Cool things you can make & do with AI — starting TODAY

🌟 Free to try!

A student at THIS school made a real song with AI — it's on Spotify!

Scan to listen to "Avalanche Rising" by neurodefender. If he can do it, so can you.

🎵 Spotify

🍏 Apple Music

🎮 Gaming + Stories

Claude.ai: "Write a story where I'm the hero of a video game. My name is [name] and my power is [power]."

Claude.ai: "Give me 10 wild 'would you rather' questions about superpowers — make them really hard to choose."

Designer: "A fantasy video game character with [hair] hair, armor made of [material], glowing forest background."

Designer: "A cool logo for a team called [name], bold and modern, using [color 1] and [color 2]."

🎵 Music + Streaming

Claude.ai: "Write song lyrics about [topic]. Make it rhyme and give it a catchy chorus."

Claude.ai: "I want to start a YouTube channel about [topic]. Give me 10 video ideas and a catchy channel name."

Designer: "Album cover art for a band called [name], genre is [type], bold colors, no text."

Designer: "A YouTube thumbnail for a video about [topic]. Eye-catching, bright colors, comic style."

🐾 Animals + Nature

Claude.ai: "Tell me 5 wild facts about [favorite animal] that most people don't know."

Claude.ai: "Invent a creature that's half [animal 1] and half [animal 2]. Describe its powers and give it a name."

Designer: "My dog [name] as a superhero, wearing a cape, flying over a city, cartoon style."

Designer: "A friendly dragon reading a book in a cozy library, colorful cartoon style."

🚀 Space + More

Claude.ai: "Write 5 jokes about [favorite topic]. Make them actually funny, not corny."

Claude.ai: "Invent a new food combining [food 1] and [food 2]. Describe the taste and give it a wild name."

Designer: "A kid astronaut floating in space with their pet dog, colorful planets, comic book style."

Designer: "My dream bedroom as a [theme e.g. jungle / space / gaming room], realistic photo style."

Claude.ai

Free to use • Great for writing, stories, ideas, jokes & answering anything

🎯 Be Specific

More detail = cooler result. Add colors, names & feelings.

🔄 Try Again

Say "try again but make it funnier" or "make it shorter."

👉 You're In Charge

AI is your helper. You have the ideas — it makes them real.

💡 Ask Anything

AI never thinks your question is dumb. Just ask.

Your brain + AI = 🚀 unlimited possibilities
